

Fantasy League

The original and still the best

Find at least five mates who just like you are itching to play a better version of fantasy football.

1

2 Arrange your auction date and agree all your league rules, from squad sizes to points allocations. All the help you need is [here](#).

Sort out a venue and make sure there's plenty of liquid on tap. Circulate the player list, plan your auction strategy.

3

4 Set up your league [here](#), hold your auction, upload the teams. Let battle and banter begin.
